

Mono-Bob

From €100

Location

La Plagne, one of the best Bobsleigh tracks in the world, the only bobsleigh track in France, has 19 bends and is over 1500m long.

It was built for the Olympic Games based in Albertville in 1992.

Operation Times

Dependant on ice conditions

Regularly used for training purposes by the Worlds best teams means that opening hours are limited – contact Whitetracks for available times - Reservation Essential

Operation

Are you ready to scream down the track at around 90km/h, in a semi-horizontal position all alone in a one-man bob? Thrills and adrenaline guaranteed! You will have an unbeatable view all the way down... and there will be no looking back!
